Ask About Extending Beyond 60 Days?

The Ryder Vehicle Assurance Program is a **solid** start—but most major repairs happen after the first few months of ownership. Extending coverage with a 3-36-Month Vehicle Service Contract (VSC) delivers:

- ✓ **Expanded Protection:** Opportunity to include additional components not covered under the 60-Day plan.
- ✓ **Long-Term Confidence:** Protects against costly failures well beyond the initial break-in period.
- ✓ **Budget Stability:** Predictable repair costs for up to 1M miles = fewer surprises.
- ✓ **Nationwide Support:** Access to NTP's 8,500+ certified service locations & claims assistance.

*Refer to the Vehicle Service Contract (VSC) for all terms, conditions, exclusions, and limits of liability. Coverage is subject to the full VSC contract language.
